## Glossary

<b>Users</b>	The users of the application, including both organizations and individuals.
<b>Organizations</b>	Users representing nonprofits, companies, or philanthropic groups.
<b>Individuals</b>	Individual users of the app aiming to support a philanthropic cause.
<b>Cause</b>	The philanthropic category that aligns with the organizations and their events. Causes could be general (health), specific (lung cancer), or religious (Christian).
<b>Skills</b>	These are skills that the individuals would have. Skills include knowing how to cook, knowing how to sew, knowing how to draw, knowing how to give speeches, and many more. These also include having resources such as time, money, or a car.

## User Stories

1. As an individual user, I want to have an account so that my session is remembered and my information is saved.
2. As an organization user, I want to have an account so that my session is remembered and the organization's information is saved.
